

ALPHA PROSPECTS LIMITED
("Alpha" or "the Company")

Alpha Prospects - Most Innovative Energy Investment Solutions Provider 2019

Alpha Prospects Limited, the UK investment company, announces that the Company was awarded the Most Innovative Energy Investment Solutions Provider 2019 at the Energy and Power Awards hosted by SME News.

The judges commented: *"As with all our awards here at SME News, the Energy and Power Awards victors are carefully chosen when we go through our extensive research and judging phase. We investigate many different fields when judging a company such as dedication to the industry, their excellence in their given sector and any innovations they bring to the industry."*
